Dear Member,

I am pleased to advise that your Association has planned a full programme of activities in 2021.

Apart from the speakers shown opposite, organisations as diverse as the Vindolanda Trust and the Dickens House Museum, are planned for later in the year. And we have a very special speaker planned for Friday 26th March - but more of that later (please hold the date in your diary).

Due to the current Covid-19 restrictions, our talks will continue to be held on ZOOM. As the vaccine is rolled out, and restrictions are relaxed, we hope to return to face to face meetings including some social events such as a quiz evening and a race night.

In the meantime, keep safe and well, and I hope to see you at our first meeting of 2021 with the Douglas Bader Foundation on 19th January.

Best wishes

Peter Fallart - Chairman

CAN YOU HELP WITH TELEPHONE CANVASSING?

Our thoughts are turning to the London Mayoral election, in May, and the Association is planning a solid effort for the campaign.

Whilst current Government pandemic restrictions persist, our focus is on telephone canvassing. It's quite easy and a script is provided. You can do as much or as little as you want.

If you would like to help with some telephone canvassing, please get in touch using the address or email shown at the top of this newsletter and we'll let you have more details.
